My Dear Friends,

Greetings in Jesus' wonderful Name.

Already we are half way through the year with so much change politically, climate wise and in the Body of Christ. The war in Europe is now in its fifth month with no sign of letting up, and we face economic changes. We continue our work of sowing the good seed of God's word in all kinds of challenging conditions and the Lord assures us of His favour, blessing and increase. Jesus is still our source and our provider.

In April my family celebrated in style my sister Mary and my birthdays. Both North and South Islanders were present in Auckland, and then, as a complete surprise to

Nancy, Lily, & Mary

us, our sister Lily (and her husband Bob) from Vancouver, Canada, walked into the party. It was all amazing and well done as they worked together in spite of one couple being struck with Covid. "God will make a way when there seems to be no way" as the songwriter wrote. I thank the Lord for family. It's His idea. (Psalm 68:6)

News from Andra Pradesh is that Jhoney and Juni have reached out with VBS all day retreats to thousands of kids this very hot Indian summer. It is an excellent program which the parents want their children to attend and the kids love it. Planting the good seed of the Word of God in the hearts of the young is a privilege and has always been

what this ministry has been about. Of India's billion plus people, half are children under 18 years. We are giving some of them a hope and a future, while growing up in a chaotic world.

Thank you for continuing in prayer and generous support for these outreaches. Abraham Lincoln said: "A child is a person who is going to carry on what you have started. He will assume control of your cities, states and corporations. The fate of humanity is in his hands." So, let us reach more children together. This great work can only be done by a team of loving, dedicated people. As the song goes, "Jesus loves the little children, all the children of the world." Jesus said: "I thank you, Father, Lord of heaven and earth, that you have hidden these things from the wise and prudent and have revealed them to babes." (Matthew 11:25)

May the Lord bless you and your family, meeting all your needs, giving you strength and wisdom. He is the miracle worker.

With Loving Appreciation,

Nancy

Pastor Johney (Kakinada, A.P.) reports...

Our VBS children's programs ran from May to July 4th during a very hot summer. The Lord enabled us to reach 2300 children as we traveled to 13 churches. Many children made decisions to live for Christ and be baptized. We praise God for the fruitful ministry He has given us.

Our pastors training program which began in January, is going well with combined teaching and evangelism.

Pastors in training program

These ten students are doing very well, and we need resources to help them complete the course.

Church building in the Fishermen's Village

Thank you for your prayers and support for Upada church building extension in the Fishermen's Village. We are still in need of finances to finish the work.

Thank you for your prayers and support for our growing work. We are praying for you.
