August 2023

My Dear Friends,

Greetings in the wonderful Name of Jesus.

I will make this letter brief in order to feature the wonderful ministry to children in Andhra Pradesh. Thousands of children have been reached with the Gospel. Yenada villagers are receiving Jesus and say they now know they are no longer rejected.

There has been increased persecution and chaos in Manipur, North India, and even in the south troubles and restrictions arise. They really do need us to come along side and help both in prayer and financial support. Everything has become so hard.

This year I have traveled three times to Auckland to family and friends of the ministry. I visited Lighthouse Christian Fellowship, who faithfully assists us. Churches and individuals both in N Z and North America continue to obey the great commission through our ministry. I am grateful for our faithful supporters and do thank you sincerely as I know these are challenging times for us all. If you have not yet joined our Prayer Team and would like to get approximate monthly updates on our work then please contact us.

I am planning a visit to Canada and the United States in early October and November 2023. Please pray for my health and provision for this needed visit.

In a rapidly changing, chaotic, Christ-rejecting world, I am reminded of a great old hymn: "Great is thy faithfulness, Oh God my father, there is no shadow of turning with Thee, Thou changest not, Thy compassions, they fail not; as Thou hast been Thou forever wilt be." May we, His people, reflect His faithfulness is my prayer. 2 Cor. 3:5 "Not that we are sufficient in ourselves, to think anything of ourselves, but our sufficiency is of God." God bless you and your family.

Lovingly,

Nancy

Greetings in the matchless name of our Lord and Savior Jesus Christ.

By the grace of God we are doing good and God is using us in His ministry. In the summer God has given us opportunity to minister among children from May 1st to June 15th. We have ministered in 12 churches and reached 4,350 children, with many children responding to the Gospel. Our theme for this year was "Born to Win." We have trained 500 VBS teachers and distributed 10,000 books. There is a great move of the Holy Spirit among the children.

We praise God that he has given divine healing to my wife Sujatha. Thank you for your prayers and support.

Samuel John and son Juni report...

We are continuing to constantly pray for you. We are very grateful to you for all the help you are extending to us.

It is monsoon time here. While we thank God for this weather it is flooding in some of the places where our churches are located. Please pray for their protection. Due to heavy and continuous rains lots of electricity transformers have gone down and we did not have power for almost three days.

Fruitful Children's Ministry During the last summer vacation, Juni and his team have ministered to over 2500 children in Vacation Bible School. Hundreds of them have responded to the altar call. Please pray for these young children and youth. Every year you have been a

constant support to this ministry to children. Thank you very much for the same and please try to support this year. We still need \$800NZ.

Trollies for Lepers We have ordered for the making of 10 trollies, and they will get them by the first week of August, 2023. I'll update you with the photos.

Yenada Slum people Please pray for these people as you know and have seen them. During the rainy season it's nearly impossible for them to not get drenched in the rains. Also they can hardly get anything out of the dump yards because everything gets washed out. Please pray for them as they definitely starve for food and shelter. They are receiving the Gospel message and two children are coming into our HOH home.

Back to School The schools are now reopening and this is the time for children in the House of Hope Children's Home to start a new academic year. All 35

children are promoted to their respective higher classes. Praise be to God. Thank you very much for your prayers and support.

Since this is the beginning of the new academic year, we need to buy new books (both text books and notebooks), pay fees and buy new uniforms. It would cost \$1400NZ. Please pray for these needs.

Pastor Sharon Raju's Church building needs to be extended for the growing congregation. Any donation will help for this needed building.

Persecution in Manipur State The situation in Manipur is very pathetic and people, especially the Christians, are literally beaten to death. Women and even young girls are being raped. Many of them are running to nearby states for shelter and into deep forests. Three hundred churches were burnt and many children and women have lost their lives and some even paraded naked because of their faith. There are many pathetic stories like that. Please pray for the situation and peace in Manipur. We are trying to raise some funds to reach out to Manipur. Please pray. There have been peace marches in the south and so far, silence from the Indian Government.
