2024**

Dear Friends,

A blessed and happy new year to you all. I am thankful to report that in spite of many hardships, persecution and difficulties, our work in India is growing and the poor have the Gospel preached to them. Miracles of salvation and healing are reported. Check out our newly updated website www.globalnulife.org and take a look.

Arriving home on 14th November from North America, I was soon privileged to speak at Beauty for Ashes Seminar in Tauranga on the 18th November. The subject for the day was the end times, climaxing with the second return of Jesus Christ. Everyone was blessed and challenged to live our lives with this blessed hope ever in our minds.

I enjoyed a wonderful family visit in Auckland 15th to 18th December, with thirty-nine persons present at the family event, counting the babies. My sister Mary is doing well, with 19 great grandchildren blessing our lives. My nephew Michael and Bronny Wilson from Seattle came and are in NZ for one month. It was all a very special family reunion.

A breakthrough came in Narsapur area as we heard that two slum boys from Yenada slum village were permitted to live in our House of Hope orphanage. Juni's hard work negotiating with government officials paid off and the boys (ages 11 and 9) are attending school for the first time in their young lives. They are so happy to learn, grow and be loved and cared for there. These children had no birth certificates or identity cards, as they are not given to slum dwellers.

As we move into 2024 let us forget past troubles and have faith, hope and love for our future. Faith, Family, Fun and Future, are good words, remembering that even though the world is going through chaotic times our future is secure in Christ Jesus. He is in control and does have the final say. The biblical prophetic words are surely coming to pass, but as believers we can fully trust Him to finish what He began.

Read chapters 21 and 22 from the Book of Revelation

to see how things pan out.

Thank you very much for your prayers and support. "May the Lord bless and keep you, make His face to shine upon you, be gracious to you and give you peace."

Lovingly,

Nancy

Thanks for the funds for our blind people in Chennai Global Nulife Center. There are 13 blind people with us, They are all prayer warriors, praying early morning and night, over various concerns.

Ps. Johney from Faith and Vision Ministries, Kakinada

Greetings in the matchless Name of Jesus Christ and a blessed New Year to you all.

The Lord has been so good to us in 2023 and used us for the extension of His Kingdom. This work could not have been done without your valuable prayers and support. We held children and youth retreats, women's meetings, three days of Gospel outreach, and began prayer cells. We distributed Bibles, baptized 12 new

believers in December, trained pastors, distributed help to the poor, widows and children, and held the 20th anniversary celebration of our church. I visited ten churches during the Christmas season to strengthen the brethren. To God alone be all the glory.

We had good Christmas and New Year services, and a good love feast which nearly 600 villagers and church members attended. We distributed clothes to the poor and widows. We are now in a children's camp ministering to 300 children.

Ps. Johney continues...

I am planning a mission trip to north India in February with ten pastors joining me. We plan to give "child to child" gifts to the children of Santal and Malto tribes. This trip will cost \$1,000 and many will be reached for Christ. The Lord will provide. I am so thankful for the sponsors and supporters through Global Nulife.
