Dear Friends,
Greetings in Jesus' wonderful name.

First, I apologize for the lateness of this newsletter since we are almost half way through the year. In spite of India's troubles, the ministry we began in 1993 (NZ) and 1999 (USA) is going well. In fact, the persecution has only served to make the believers stronger in their faith. Outreaches are still proceeding, but with wisdom and discernment. Presently they are reaching out to children with day retreats with simple teaching using flannelgraph, Christian materials, and songs. Johnney and Juni are doing this work amid the challenging temperatures in the 40's C. We know there will be lasting results from this ministry which reaches thousands of children of all ages. My heart is full of thankfulness that we are privileged to work with faithful people chosen of God for this hour. This is absolutely not possible without your faithful prayers and financial support.

There have been special milestones in the family. My sister Mary had a great celebration in April for her 90th birthday. My sister Lily and Bob from Vancouver flew down so it was a wonderful time

together. I drove to Auckland for five days and renewed fellowship with nephews and nieces and their children who were attending from the South Island and Seattle, Washington. Mary has 4 children, 13 grandchildren and soon 20 great grandchildren. It was a joyous occasion. Then Mary flew down to Tauranga for my 86th birthday celebration so it was nice to have her in my world, as mostly I join in her's to see family and visit churches. Our families are more precious as we age and in these days of chaos in our world the Lord is pleased when He is made the center of our family gatherings. May the Lord bless and protect your families is my prayer.

On Mothers' Day--a special day, we acknowledged our mothers and grandmothers around the world. Proverbs 31 is so fitting and something to aim for. I consider myself a mother as I raised a foster boy and through this ministry I have many spiritual sons, daughters and grandchildren. To all the mothers, we salute you and thank you for your sacrifice and hard work. I am grateful for my own mother, who during World War II sacrificed so much and sowed the good seed of the Word into our lives.

The work continues among the villages and cities assisting the blind, the lepers, the disabled, neglected children, and families. We are also assisting in finishing needed buildings. Your support is greatly appreciated. God promises to multiply the seed that we sow.

I'm reminded of the following words of the hymn--"Make Me a Blessing."

*"Out in the highways and bi ways of life, many are weary and sad;
Carry the sunshine where darkness is rife, making the sorrowing glad.*

Make me a blessing, out of my life may Jesus shine.

Make me a blessing oh Saviour I pray, Make me a blessing to someone today."

With Appreciation and Lovingly,

Nancy

Ps. Johney from Faith and Vision Ministries

Thank you for your prayers, encouragement and support. This year we, together with the twelve pastors in our fellowship, have baptized over 60 people so our churches are growing.

On our missions trip to Jharkhand, North India in March, we reached three people groups, some in tribal areas, with 1000 children attending. Our children's summer camps in our own area ministered to 1200 children, listening eagerly, and 300 adults were in our teachers' training classes. All were in high temperatures. All glory to Jesus, for it was good seed sown in tender hearts, which without your prayers and support could not be done. Thank you again.

Samuel John and son Juni ...

Our ministry is going along well for which we praise the Lord! Thank you very much for the help we receive from GNLM. It has been very challenging working with the villages and Children's Day VBS programs in very high temperatures, with humidity. In five places over 1200 children have been reached with songs, skits, puppets and flannel graph over a 3 days period. In each place many children came to the Lord. We expect to reach another 1200 kids in the coming weeks.

We are happy that you enabled us to get more trolleys for the leprosy village folk. They are unable to go out to beg due to the high temperatures and two have died of malnutrition with all of them struggling to survive. We travel distances to visit them bringing bags of necessities and groceries. They are very

grateful. House of Hope children have all done well (even the two boys from Yenada who have never been to school) and have been promoted to higher classes. Juni and I continue to travel to many places bringing the good news of the Gospel. Thank you very much for your prayers and support. We are very grateful. Please pray for us.

Pastor Samuel Paul reports...

Our fifteen blind people are real prayer warriors, mornings and evenings, and they memorize Bible verses, sing very well, and listen to audio Bible tapes. I'm very proud of them. But they are very housebound and cannot go anywhere safely. Our 17 year-old van is not safe, but very worn out and needs replacing. If you would kindly help us replace it then we can use it for visits for our blind, leprosy and disabled persons. We really need a reliable vehicle for our ministry. My son Ian Barrie is very interested in helping these people with a heart of compassion, and humbly requests assistance for this needed vehicle. He drives well. Thank you very much for your valuable prayers and financial support

PRAISE REPORT:

El Shaddai Children's Home - Gobi, Tamil Nadu...

Our children are so happy with the water from the water purifier you supplied. Healing was received by Anbu, our father, and some children also. Thanks for prayers. Leprosy people gladly received necessities of gifts and food. VBS for children was well attended. They sang songs, danced, drew pictures, and learned Bible verses. We are grateful for the help. Thanks so much.
