GLOBAL
NULIFE MINISTRIES

MAY 2025

My Dear Friends,

Greetings in the wonderful Name of Jesus.

There is so much happening and changing in our world politically, locally, and in the church. Just as the Israelites of old traveling through the wilderness followed the supernatural cloudy pillar by day and the pillar of fire by night, so we, in modern times, must be ever watchful of the Holy Spirit's guidance through these challenging days.

After a beautiful warm summer, we are now into the fall season here in New Zealand. Many in our family have April birthdays, including myself (just got in on the 29th). These remind us of the brevity of life and our responsibility and privilege to obey the great commission--our work here on earth in spreading the good news of the gospel.

In March I flew to the Taranaki area to our many dear friends living around the mountain in the beautiful rural and ocean area. I am thankful for the love and hospitality shown to me and the generosity to our ministry. I was driven around in style by Alan Morton, a longtime supporter and team person involved in our work. Thank you, Alan.

Another special event is happening in June/July. My spiritual son, Pastor Jaideep Kumar (known as Johnny) from Kakinada, Andra Pradesh, India, has received his visa to visit N Z. The dates are May 27th to July 9th, approximately five weeks. Please pray for his visit that it will be filled with divine appointments in churches, home gatherings and one on one meetings. Pray also that his big responsibilities at home will be covered.

I am so grateful for the support and faithful prayers of you all. A highlight recently was the purchase of a new van for House of Hope children to travel to school and also for ministry events which require seating for more than eight persons. Praise God for His wonderful provision which will greatly assist the work in Narsapur, A.P. India.

We recently celebrated Easter and again rejoice that "He is not here, He has risen." The tomb was empty, the huge stone rolled away, the angels declared it and Jesus himself appeared many times before returning to Heaven. He is indeed "the resurrection and the life." John 11:25

I pray for the anointing of joy, gladness, peace, healing and provision to be on you and your families. Every blessing.

Lovingly,

Nancy

From Ps. Samuel John and Juni...

With a grateful heart all of us from the House of Hope Children's Home and Reach the Unreached Association would like to thank you so much for the new Tata Magic

House of Hope new van taking children to school

Express van that you got for us. Children in particular are very happy to be able to travel to and fro to their school in the van. Now they need not carry the heavy bags, and the summer here is already in mid-40 C's and so no more dehydration. This van is enabling us to get the groceries from the shop to the Nancy's Centre and also is serving us to go to ministry in it if there are more than eight people. We are very grateful and we pray the blessings over the lives of everyone who has contributed. Thank you.

New van filled with the fruit of the labour of Ps. Juni and the team in Narsapur

Anbu, Ebby, El Shaddai in Gobi report...

We got a van and are grateful to God and all our sponsors. The Lord will bless in abundance those who assisted for the van. The van will be used to bring many children to our campus, for our leprosy ministry, and we can travel altogether in one vehicle. Poor and destitute disabled children can benefit and they can know the good news about Jesus.

The Lord will bless our van as it will be used for God's work. *Please keep on praying for the remaining installment amount.* Again, we heartily thank you for all your support and prayers.
