My Dear Friends,

Greetings in the wonderful Name of Jesus.

My heart is full of thankfulness to the Lord and His co-workers for allowing us to play a small part in this last day harvest. James 5:7-8 tells us to be patient as we wait for the coming of our Lord's return just as a farmer waits expectantly for the precious harvest from the land, for the coming of the Lord is very near. Every day we hear and see news that confirms the Biblical signs happening all over the world. The Spirit of God is moving in many places as people seek the truth, especially among the under 25's, on college campuses, in churches and in missions organizations. Many are having dreams and visions of Jesus and of His soon return. Are we living in the light of this great event? He is coming whether we are ready or not!

The visit to N Z in June and July by Pastor Johnny Kumar was a wonderful success. We arranged for him to visit churches, home groups, former team people, pastors, and new people. He was loved and respected for his sweet and humble spirit. I was especially glad for the encouragement he brought to me as my spiritual son. I was glad too to share him with twenty members of my family. Supporters assisted to fly and drive him to various places as far as to Christchurch. A big thank you to you all. He returned to his home and church to a hero's welcome and a very happy smiling wife, Sujatha, who faithfully took care of the children and the many responsibilities of this growing work in Kakinada.

We are praying for a small team to visit India again in January 2026. These volunteer teams have been going for over 30 years, so please pray with us for this one too. Pray that the right people who the Lord chooses will continue to bless our people there.

Special needs are many. We do appreciate every prayer, and every gift, large or small, that will make a difference to many underprivileged people and neglected children. Help us reach the poor and needy. "Inasmuch as you do this to the least of these my brethren, you have done it unto Me." Matt. 25:40b

(continued at top of next column)

Thank you so much. I am praying every blessing and good health for you and your family.

Lovingly,

Nancy

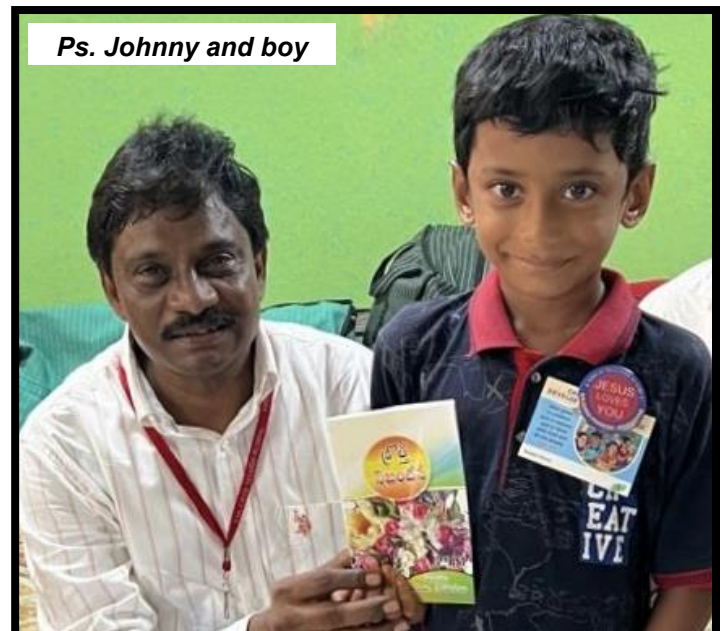

Greetings from Faith & Vision Kakinada...

I am so glad to thank all the sponsors and prayer warriors for your love and warm welcome in N Z which I enjoyed very much, giving me opportunity to minister in churches and home groups in a number of places as far south as Christchurch.

I returned to a warm welcome from my church in Upada. We had wonderful fellowship with three days fasting prayers concluding with a Love Feast. Three hundred people attended with new believers added. Our pastors are excited as their churches are growing in spite of much opposition. Buildings are being extended.

We praise God for His mercy and provision, again thanking you all very much. Please pray for my family's health and the ministry in remote areas. God bless you all.

Ps. Johnny and Sujatha
