## Christmas Letter 2025

My Dear friends

Greetings at this wonderful time of the year with Christmas 2025 and new year just around the corner into 2026. All the best for your family and friends as you remember that "Jesus is the reason for the Season" and the many blessings God has given us, most of all the priceless gift of His one and only Son. John 3:16

Our Indian brothers and sisters continue their amazing work amid many trials of floods, illness, persecutions but report that in all the difficulties many people are coming to faith in Jesus and requesting water baptism. Many of our church buildings need to be extended which is gratifying and needful. Further blessings include the purchase of three vehicles which makes it much simpler for their travel and ministry in the villages.

Samuel John, Reach the Unreached, and son Juni, Youth Arise, were given a vehicle that can transport 20 children to school and also take the Team to Village meetings. They are so very thankful. GNL is so grateful for our faithful generous partners.

Then down in the south, the town of Gobi near Coimbatore, Tamil Nadu, a small used Bus became available which is now transporting the children and the team out to the Leprosy village. They are so grateful for this wonderful provision.

The third vehicle is an eight seater Toyota purchased for Johnny, mainly resulting from his visit to New Zealand in June/July '25. This went very well as he visited Tauranga, Taranaki and as far as Christchurch then Auckland and Orewa. This time was an encouragement and blessing to me as he is my spiritual son.

Over 40 years ago he came to the Lord on one of my first visits to India, six months after I lost my foster son.

Although I have had some health challenges this year, family is very important to me, so I will be flying up to Auckland Monday 22nd to Sat.27th December to spend Christmas with my beloved sister Mary and my nephews and nieces. Having married young, Mary now has 20 great grandchildren and one great, great granddaughter arriving end January. All bring happiness and joy into our lives.

### **This quote from Francis of Assisi**

"Start doing what's necessary, then do what's possible, and suddenly you are doing the Impossible."

### **Winston Churchill**

"The pessimist sees difficulty in every opportunity.  
The optimist sees opportunity in every difficulty."

### **Theodore Roosevelt**

"Believe you can and you're half way there."

I pray your faith and hope will increase this new year in spite of the chaos and evil of this World you will rise to greater heights to fulfilment of your dreams.

Did you lack anything? Jesus asked his disciples, they answered "Nothing" Luke 22:35 "God has planned good things for us to do" Ephesians 2:10

Many thanks and every blessing,

Lovingly,  
*Nancy*
