NULIFE MINISTRIES

May 2026

My Dear Friends,

Greetings in the Name of Jesus. We are just recovering from a cyclone which has caused flooding and damages in the low lying areas especially in the North Island. We stayed indoors and were safe just watching the strong winds and heavy rain. Shops, many roads and churches were closed. Today, in Tauranga, we have sunshine.

I was blessed to enjoy family time in Auckland in February with my sisters Mary and Lily. Bob and Lily came from Vancouver, BC, for one month, and Tania, their daughter, for two weeks. They also stayed at Mount Maunganui overlooking the ocean with many family members visiting. We enjoyed many happy times with lots of good food in summer weather.

Our team of two young women visited India for two weeks. They report good if challenging times in three places among our children, lepers, pastors, villages, and slums. News from India was thankfulness for the encouragement their visit brought. Our good news is that Elyse and Stephanie are happy to work with us and are with me this weekend. Also we have had successful talks with Tania Limmer, our NZ administrator.

Many thanks for your faithful support in prayer and your financial assistance as you are able. You are much appreciated and valued. Please know that you are making a big difference to many children and people who are suffering, even persecuted for their faith. Our leaders in India are doing an amazing job as they work tirelessly for the Kingdom. Currently, for 5 weeks in very hot weather, Johnny and Juni are holding Children's Day retreats in wide areas reaching hundreds of children with the Gospel.

"Now unto Him who is able to keep you from falling and present you faultless before the presence of His glory with exceeding joy, to the only wise God our Saviour, be glory, majesty, dominion and power both now and forever more." Jude 24, 25

Every Blessing... Lovingly,

Nancy

Team Report (Elyse & Stephanie) January 2026...

Thank you so much for praying for our trip - we were constantly reminded that although only two of us were physically present, a whole community stood behind us. Our time in India was deeply impactful, as we witnessed the sacrificial cost and wholehearted faith of believers and pastors, often feeling as though the Word was coming alive before us. It challenged our own hearts and deepened our understanding of what it means to follow Jesus, stirring a desire to continue supporting this work. Through your generous giving we were able to provide meals for over 40 people affected by leprosy, support Pastors Johnny, Juni, and Samuel Paul in their ministries to vulnerable communities, and bless the pastors and churches who hosted us. We are so grateful to have been sent and to serve together in this shared mission.
