My Dear Friends,

Greetings in Jesus' wonderful name. I am very thankful to write and share about the good things happening through our ministry. Pastor Johnny visited NZ again, and this trip took him from Auckland, Orewa, Tauranga, Taranaki, Christchurch, Invercargill, Tapanui and Bluff. Many thanks to Alex McLaughlin, who drove him around the South Island, taking him to special places while combining this with church appointments. Everywhere Johnny went, his anointed ministry made a big difference to people.

One highlight I'd like to share is when the Indian Sikh husband of our supporter, Sally, wholeheartedly came to Christ. He asked if Johnny would baptize him and so Johnny did so, **on his birthday**. A small group of us were there to witness and celebrate this at a private mineral pool here in Tauranga. He is now growing in the Lord.

Elyse McKechnie (Team of 26') has recently moved from Auckland to Tauranga, mainly to work with our ministry. This is an answer to our prayers for younger team assistants.

In spite of persecution in India, our churches are growing, with buildings being extended. Thousands of children have been reached with the Gospel in recent weeks, and we pray for lasting results, with future "Rachels, Deborahs, Pauls and Timothys" being raised up. Please believe with us for Pastor Samuel Paul's ministry in Chennai, as they face the need for a new place to live because their present building has been condemned. Twenty-three people, including fifteen blind people, need a better place to live. Thank you for praying with us.

Job 22:8 has been quickened to me recently - *"We can decree a thing and it shall be established."* We can make this personal.

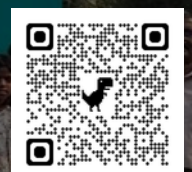

With much appreciation and lovingly,

Nancy, Global Nulife Founder

House of Hope Update

During the summer holidays, despite intense heat, frequent power outages and challenging travel conditions, Pastor Juni and the ministry team ran 14 Vacation Bible Schools across different villages and communities, reaching **more than 3,000 children** with the life-changing Gospel! Through Bible lessons, Scripture memorisation, songs and Bible stories, the children experienced the love of Jesus in a special way. We give God all the glory for the **35 young people** who accepted Jesus as their Lord and Saviour during this time.

*"I planted the seed, Apollos watered it, but God has been making it grow. So neither the one who plants nor the one who waters is anything, **but only God, who makes things grow.**" — 1 Corinthians 3:6–7 NIV*
